**No. 01444**

**Ensuring openness of the enterprise activities and effective public oversight**

For the purpose of fulfillment of the Decree of the President of the Republic of Uzbekistan No. DP-6247 dated 16 June 2021 "On the additional measures to ensure openness of activities of the state bodies and organizations, as well as the effective implementation of public oversight", as well as to increase the openness and transparency of the activities of “Almalyk MMC” JSC, to ensure freedom of access to information and to improve public oversight mechanisms, I order:

1. The heads of the executive office and structural divisions to take under advisement and accept for execution the Decree of the President of the Republic of Uzbekistan No. DP-6247 dated 16 June 2021 (hereinafter referred to as the Decree) "On the additional measures to ensure openness of activities of the state bodies and organizations, as well as the effective implementation of public oversight";

2. The heads of structural enterprises, subdivisions and services of the executive office of the Complex to ensure timely, complete and high-quality provision to the Information Service of the Complex of socially significant information subject to publishing as open data, in accordance with the list specified in the Appendix No. 1.

3. The Advisor to the Chairman of Board on Information Policy – the Head of the Information Service (U. Karshibaeva), Head of the Department for Coordination and Control over Appeals of Individuals and Legal Entities (A. Komilov), Head of the Production Automation Department (V. Irismetov), as well as the Head of the Information Technology Department (A. Nadirov) shall ensure the posting (uploading) of the submitted data and information within the established timeframe on the Open Data Portal of the Republic of Uzbekistan, as well as on the official website of “Almalyk MMC” JSC, with their subsequent regular updating.

4. The Order of “Almalyk MMC” JSC No. 00817 dated 23 June 2021 is to be deemed null and void.

5. To assign control over fulfillment of this order to the Deputy chairman of board for digitalization (A. Azizov) and the Head of the department of control and information and analytical work (M. Muratov).

**Chairman of Board**

**A. Xursanov**
